

Let's Hit the Trail! Our generous health and wellness sponsors are challenging the community to log 20,000 miles during the month of May. For every mile you bike, hike, run, or ride on the Whitefish Trail, our sponsors will donate \$1 to support our local trail and protected lands. Participate as an individual or create a Workplace Team. Help us reach our 20,000 mile goal, and let's hit the trail this spring!

Paper log forms must be received by May 31st.
 Drop them off at the WLP office (525 Railway St. Suite 206), scan and email them to info@whitefishlegacy.org, send by carrier pigeon, or mail them to PO Box 1895 Whitefish, MT 59937.
